## Did You Know

- 1 in 10 babies are born before 37 weeks gestation
- Babies born before 32 weeks can't regulate their body temperature
- Black women are 2.5 times more likely to experience preterm birth

## March for Babies:

### A Mother of a Movement

---

For more than 40 years, Zeta Phi Beta Sorority, Inc. and the March of Dimes have worked together to increase awareness of premature birth and the importance of prenatal care.

This April, the Lambda Zeta chapter of Zeta Phi Beta will continue this successful partnership by walking in the Houston Area March for Babies. Please consider joining our team or donating.
