Dear Sir or Madam,

As a community-conscious, action-oriented organization, we are firmly committed to recognizing academic excellence in our community. Each year, Zeta Phi Beta Sorority, Inc., Lambda Zeta Chapter offers several scholarships to graduating seniors. This year, we will be awarding the \$2000 (two thousand dollar) **High School Community Scholarship**, the \$1500 (one thousand five hundred dollar) **Minority Engineering Scholarship**, and the \$1000 (one thousand dollar) **Jaylen Avery Scholarship for Students with Special Needs**. The purpose of these scholarships is to help defray the expenses of a student in the pursuit of studies at an institution of higher learning.

Applicants must be high school seniors (*see the requirement documents for all specifics*) graduating in **Spring 2023**, with documented involvement in extra curricular and community service activities, leadership experience, and who require financial assistance for their college education. Finalists must complete a structured interview that will be scheduled to take place in **March 2023**. The interview may be held in-person or virtually through Zoom, which will be at the discretion of the Lambda Zeta Scholarship Committee. If the interview is held virtually the applicant must be present and on camera to be considered.
